**DISCOVER WHAT YOUR amiibo CAN DO**

.....

amiibo works with compatible games in different and unique ways, such as...

Add a character to the game.

Level-up or customize your character.

Get bonuses or special items.

Unlock new adventures.

Learn more at [amiibo.com](http://amiibo.com)

**What can amiibo do?** One amiibo may work with multiple games. You might get new outfits, power-ups, or other fun bonuses.

Use a compatible amiibo figure to play as that character in the board game. Choose from faves like Isabelle, Tom Nook, K.K., and more.\*

Tap the Wolf Link amiibo to unlock the Cave of Shadows – a brand-new set of challenges!\*

The Wolf Link amiibo is exclusively available in The Legend of Zelda: Twilight Princess HD game + amiibo set.

## SUPER MARIO MAKER™

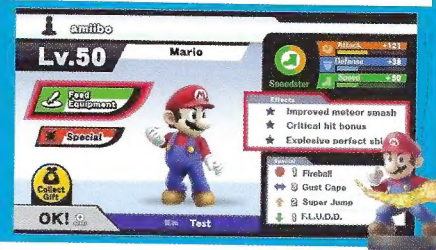

Tap into Super Mario Maker with a compatible amiibo and Mario can transform into a character costume when he gets a Mystery Mushroom.

Tap into the Yoshi's Woolly World game with a compatible amiibo to unlock Yoshi™ patterns based on that character – see what Yoshi would look like as Mario™, Kirby™, Donkey Kong™ and more!

Tap into the Splatoon game with a compatible amiibo to unlock special challenges. You can take on missions with a special twist, and unlock special weapons, gear and minigames as you beat them!

In the Super Smash Bros. for Wii U game, you can battle, train, and level-up your amiibo figures.\*

You can crash the party as bad guy Bowser™ in Mario Party 10! Challenge your friends and tease your frenemies in 3 great party games in 1. Become the bad guy in the Bowser Party mode to playfully antagonize your buddies. Play with at least one amiibo™ to unlock the inventive amiibo Party mode. And have an all-around blast in Mario Party!\*

Additional accessories required for multiplayer mode.

Invite your favorite villagers into your game, receive home decoration requests, and assign them jobs in public facilities. Tap special Animal Crossing characters to call in villagers that would otherwise not appear in your game with requests.\*
